Wonderland Støtteben/support Leg

*Benyttes kun til kontinentalseng og ramme-seng (box) med helt trekk på trerammen. Benyttes ikke til regulerbare senger.
Used only for continental and frame bed with full cover on the wood frame. Do not use on adjustable beds.

*Støttebenene sin funksjon er å støtte, ikke å holde trerammene samlet.
The support legs function is to support, not to keep the wood frames together.
