---	---	-----

1. Press the button to raise the ottoman

2. Press the button to recline

3. Press the button to return to upright position

4. Press the button to stow the ottoman

5. Home Button: Press this "Home Button" to return to the upright position and stow the ottoman at the same time

To adjust the headrest, grip the backside of the headrest and pull forward from both sides as shown

DO NOT pull from the side edges, as the material may tear

To adjust the headrest backward, push on both sides or use a forearm to evenly move the headrest

**Caution:**

Do not push in the center of the headrest, as this may cause the cushion to collapse
